ABOUT ME

I started learning to crochet in October 2016. Me and my family were on holiday in Wales and I bought a hook, some wool and I made a hat for my daughter! Since then I have had a hook in my hand everyday (nearly) and my house has been overtaken by wool! I have fallen head over heels in love with crochet and love making and designing patterns for people to create beautiful things from!

Thank you!

Hope you enjoyed making your pattern!
