STITCH ABBREVIATIONS

UK Terms

Ch - Chain
DC – Double Crochet
Inc - Increase
STS – Number of stitches at the end of the round

GAUGE

21sts x 19 rows = 10cm x 10cm

FINISHED SIZE

Size - approximately 25.5cm x 65cm excluding the fringe.

NOTES

- Ch1 at the beginning of each round DOES NOT count as a stitch.
- Pattern is worked in rows.
- Chart is at the end of the pattern.
- Each square of the chart = 1 Double Crochet stitch
- The pattern only uses one stitch throughout and that is the DC – Double Crochet and you also have a chart to follow if you prefer to follow the chart, which is at the end of the pattern.
- Each row should have 55 stitches.
- TURN at the end of each row.
- In the written section of the pattern it indicates which colour yarn you need to use and how many stitches.

TAPESTRY CROCHET

This Elements wall hanging is made using tapestry crochet. For this wall hanging you are going to use different colours, and you will carry the additional yarn along with you and work over it as you crochet the row. You only need to carry the yarn you use for the "background", not the one you use for the element. I would recommend to mark each row on the chart as you finish.

Don't tie off

Border

Yarn A will be still attached, turn and dc back along the top, 3dc inc in the first corner. 1dc in each row along the edge of your wall hanging to the corner, 3dc inc in the corner, 1dc along the bottom of your wall hanging, 3dc in the corner, 1dc in each row to the last corner and 2dc inc in the last corner where you did your first sc, ss to the first dc made. Break yarn and sew all ends in.

If your corners are curling you might want to block it before adding to the dowel.

Tassel Fringe

For each tassel I cut the lengths of both yarns B & C about 20cm long and attached them firstly in each corner then in every other stitch along.

My actual tassels measure 10cm long after trimming so if you would like them longer or shorter please adjust your initial length.

Attaching to your dowel

Now you need to attach your wall hanging to your dowel. I like to crochet mine onto the dowel as I feel it is nice and secure. You could also just sew your piece on to the dowel using a needle and long thread of yarn going through every stitch along the top and round your dowel.

To finish sew all ends in.

Enjoy!

Thank you!

ABOUT ME

I started learning to crochet in October 2016. Me and my family were on holiday in Wales and I bought a hook, some wool and I made a hat for my daughter!
Since then I have had a hook in my hand everyday (nearly) and my house has been overtaken by wool!
I have fallen head over heels in love with crochet and love making and designing patterns for people to create beautiful things from!

Hope you enjoyed making your pattern!
Please don't forget to tag me in your makes I would love to see them! @emkatcrochet
